

Lester Electrical Refund Policy

Lester Electrical provides a 30-Day Money Back Guarantee on purchases unless otherwise noted in this policy or in writing. The process of returning the product to Lester Electrical and all related expenses, including transportation charges, are the responsibility of the customer. Lester Electrical must receive and inspect the product before a refund will be issued. Contact customer service in advance at 402.477.8988 or service@lesterelectrical.com to obtain a Return Material Authorization (RMA) number and return instructions.

Exclusions

Custom, OEM, private-branded, or private-labeled products do not qualify for the 30-Day Money Back Guarantee because they have been built to order for a specific customer. The 30-Day Money Back Guarantee also excludes products that have been damaged.

Questions or Concerns

Please feel free to contact us by email at marketing@lesterelectrical.com if you have questions or concerns about our refund policy.
